

# WE DID IT! WITH YOUR HELP, WE SAVED THE BLOCK.

**Congratulations to this community for coming together and Saving the Block! Your passion and enthusiasm for this project, along with your generous contributions, have resulted in the protection of an historic, community greenspace in the heart of downtown Jackson. Each one of the 5,000+ gifts to the campaign made an impact and we are grateful for the following individuals, families, and organizations that helped Save The Block.**
