WITH THE U.S.
FOREST SERVICE

Do you distribute free
firewood to members of your
community?

If you distribute more than 5 cords of wood to community members, and you have not received funding from the Alliance for Green Heat previously, you are eligible for a grant of up to \$15,000.

If you have never distributed wood before, but believe your community would benefit from this service, you can apply as a “start-up” firewood bank and be eligible for a grant of up to \$10,000.

EXAMPLES OF ELIGIBLE EXPENSES

- Personal Protective Equipment (PPE)
- Processing equipment (chain saws, splitters, conveyors)
- Maintenance of firewood bank equipment
- Tool sheds or sheds to cover firewood
- Liability insurance
- Gas for firewood bank delivery trucks
