- 1** I do not like green eggs and ham! Would you like them here or there? Would you like them by Mama Mimi's hair?
- 2** Its shell a mosaic, reflecting the light. Look near the trees, you might. Spot on the shards of colored glass, a tiny letter meant to last.
- 3** Vroom vroom! The fastest egg in town! Running low on gas, it found a bench to sit down.
- 4** This little egg, lighter than air, glows soft with a bright pink flare. Look high, look low as you go. The secret waits inside Flow.
